

## EMR Aware Newsletter July-August 2019

### Compiled Web Resources

This newsletter is intended to highlight the latest online content relating to the health environmental and social impacts of man-made electromagnetic radiation (EMR). Please help support the worldwide call for safer technology and regulatory standards by forwarding this email to as many interested persons as possible.

To display the images herein, ensure your email client is set to "show remote content" or similar. If you encounter an expired URL, try copying the title of the item into your search bar, or visit the parent website to view similar material.

## EMR Events

A promotional poster for the '5G Health Symposium Global'. The background is a teal-toned cityscape with a network of white lines and nodes. At the top, the title '5G HEALTHSYMPOSIUM GLOBAL' is written in large, bold, black letters. Below the title, there are several icons and text blocks: a ticket icon with '\$55 ONLINE (UNTIL SOLD OUT)', a location pin icon with 'SUNDAY, 7TH JULY AT NEWNHAM HOTEL, BRISBANE, AUSTRALIA', a clock icon with '10AM-5PM (DOORS OPEN AT 9:30AM)', and a smartphone icon with 'LIVESTREAM ALSO AVAILABLE'. On the right side, there are two circular portraits of men. The first is labeled 'WITH: BARRISTER RAY BROOMHALL' and the second is labeled 'HOSTED BY: PAUL SEILS'. A large, glowing '5G' logo is positioned in the upper right quadrant.

## Measuring Wi-Fi

The following "free" software applications provide a graphical display of active Wi-Fi networks and their relative field strengths. This information can be useful for reducing personal exposure. Measurements rely upon your computer's Wi-Fi modem. Afterward it can once again be switched off.
