

EMR Aware Newsletter - May-June 2019

Concerns and Informed Choices

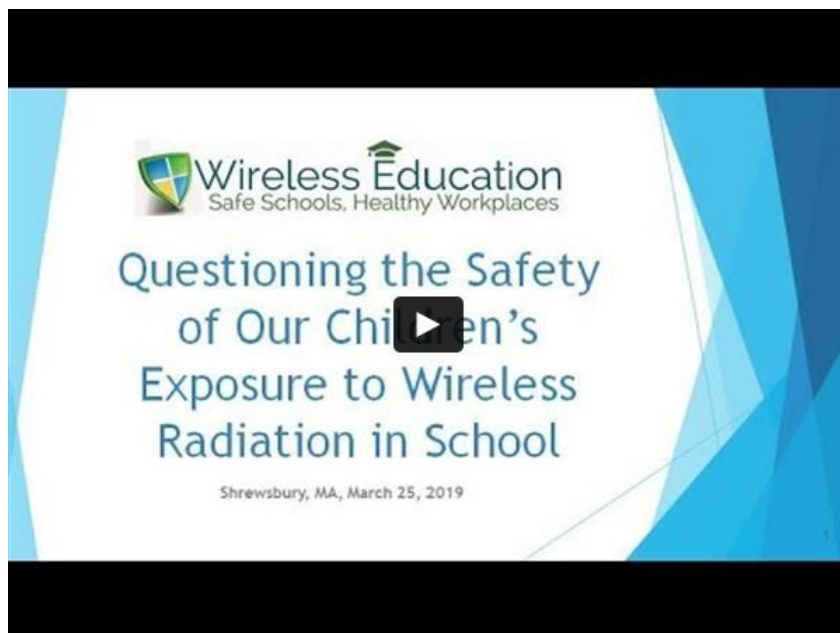

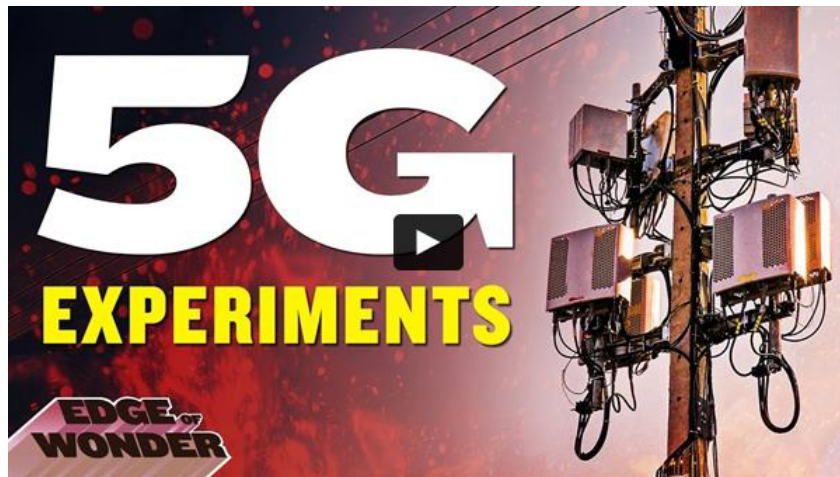

Selected Links

These occasional publications are intended to highlight online content relating to the health, environmental and social impacts of EMR. Readers are invited to send us related web links for inclusion in forthcoming editions. Please help promote safer technology and more stringent regulatory standards by forwarding this newsletter to interested persons.

To display images herein, ensure your email client is set to "show remote content" or similar. If you encounter an expired URL, try copying the title of the item into your search bar, or visit the parent website to view material of a like nature.
